

COURT REPORTING

FROM TRIAL TO TRANSCRIPTION IN NO TIME FLAT

Philips Court Reporting System

Court reporters are the backbone of any legal proceeding. Every word said must be accurately accounted for, including emotional nuance and vocal inflection. DCCS Solutions Company has been helping court reporters do their jobs efficiently since 1947.

Let every voice be heard and important ideas remembered. The innovative Pocket Memo meeting recorder allows you to capture everyone's ideas in excellent audio quality, no matter where they are seated around the table. The extendable 360° microphone system offers flexibility as well as ease of use.

Superior audio quality

- 360-degree sound pick-up for optimal recording
- High recording quality in DSS Pro, MP3 and PCM format
